

K-1 End of Year Field Trip

The Kindergarten/Grade one classes will be taking part in an end of year field trip scheduled for **Thursday June 16th, 2011**. We will leave the school at **9:15** sharp and proceed to the Fredericton Indoor Pool. We are in the pool from **10:30-11:15**. An extra lifeguard is being provided and all students will have life jackets. The adult/student ratio **in the water will be 1 adult to 3 students within arm's length (6 and under)**. We are going to try and keep to that ratio for all students. We will need a few parent volunteers for the **pool only part** of the field trip to help in the dressing rooms and to **be in the water**. Volunteers would need to meet us at the pool by **10:00 am**.

After the swim session we will proceed to Wilmot Park where pizza will be provided for the students (including drinks and dessert). Students will need a small snack to have before we leave the school. If your child does not like pizza they will need to bring a lunch. We will return to the school around 2 pm.

The money we raised from the Popcorn Fundraiser will pay for the entire trip! This will be a fun and positive way to end the 2010-2011 school year.

More information will be sent out at a later date indicating what students need to bring.

Kindergarten/Grade 1 Field Trip to Fredericton Indoor Pool and Wilmot Park - June 16, 2011

Please tear off the bottom portion and return to the classroom teacher by **Friday, June 10th**.
